Dear Mr. Ryan,

As the Minister of Finance, Tourism and Development, I am requesting your cooperation in temporarily acting as Chairman of the National Investment Council. This would be with immediate effect until the Council can be reformed.

As you are aware, there are currently three vacant positions on the Council. I would therefore like to invite you and other members of the Council to submit names of three individuals that you would like to be considered for these positions.

The work of the National Investment Council is significant, and I value your cooperation and look forward to meeting with the Council on a quarterly basis.

Yours sincerely,
